

REMARKS**1. *Priority Document***

The Examiner has referred to the applicant's claim for foreign priority based on an application filed in Republic of Korea on June 1, 2004. *Office Action*, p. 2. However, the applicant would like to clarify the error about the Priority Date, i.e., the claim of priority is based on the Korean Application No. 10-2004-0000714, filed on January 6, 2004. Enclosed with this response is the Authorization to Permit Access to Application by Participating Offices, for obtaining the Certified Copy of the Korean Priority Document from the KIPO.

2. *Rejections under Obviousness-type Double Patenting*

Applicants appreciate the Examiner's thorough review of the present application, and respectfully requests reconsideration in light of the following remarks.

Claims 1-6 are rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claim 1 of commonly owned US Patent No. 7,664,074 in view of Celedon et al. (US 2003/0190916). In response, a terminal disclaimer is being filed concurrently herewith. Therefore, withdrawal of the rejection is respectfully requested. It is to be noted that the filing of the attached Terminal Disclaimer is not an admission of the propriety of the Examiner's rejection.

Conclusion

Accordingly, Applicants respectfully submit that claims 1-6 should be allowed. Early and favorable indication of allowance is courteously solicited.

The Examiner is invited to telephone the undersigned, Applicants' attorney of record, to facilitate advancement of the present application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
